

## PICOTE BENDY PACKER

*Makes Repairing Pipes Quick and Easy*

Picote Bendy Packers  
with Navigational Guides

The Picote Bendy Packers are part of the Picote Pro Packer series and are specially designed for repairs in pipe bends but work great in straight sections too! These Packers can be pushed through several bends to the renovation location using the innovative and patented Front-Wheel Drive System. This allows them to travel longer distances and easily navigate through multiple 90° bends.

Navigational Guides assist the Packer through pipe bends and with turns into secondary lines.

Picote Bendy Packers enable point repair through multiple 90° bends, diameter changes and P-traps.

## USES AND BENEFITS

- Packer expands first from the middle which ensures a wrinkle free end result.
- Patented Front Wheel Drive: The optional Glass Fibre Rod extends through the Bendy Packer to the front end, which helps navigate around bends and go longer distances.
- Patented Longitudinal Expansion Control limits the length of the Packer thus increasing strength and durability.
- Packers are protected with an extra silicone jacket for increased longevity.
- Flexibility: Access repairs through cleanouts, multiple 90° bends and P-traps.
- Navigational Guides assist the Packer through pipe bends and with turns into secondary lines.
- Can also be pulled into place.

## PRODUCTS AND SPARE PARTS

Picote Bendy Packers	
PN	Description
<b>DN50 (2") - BLACK</b>	
1510050060_3	Bendy Packer DN50 (2") / Length 60cm (24") Inc. 3m (9.8') integrated push/air rod
1510050060_5	Bendy Packer DN50 (2") / Length 60cm (24") Inc. 5m (16') integrated push/air rod
1510050100_3	Bendy Packer DN50 (2") / Length 100cm (39") Inc. 3m (9.8') integrated push/air rod
1510050100_5	Bendy Packer DN50 (2") / Length 100cm (39") Inc. 5m (16') integrated push/air rod
<b>DN70 (3") - WHITE</b>	
1510070060_5	Bendy Packer DN70 (3") / Length 60cm (24") Inc. 5m (16') integrated push/air rod
1510070060_10	Bendy Packer DN70 (3") / Length 60cm (24") Inc. 10m (32') integrated push/air rod
1510070100_5	Bendy Packer DN70 (3") / Length 100cm (39") Inc. 5m (16') integrated push/air rod
1510070100_10	Bendy Packer DN70 (3") / Length 100cm (39") Inc. 10m (32') integrated push/air rod
<b>DN75-100 (3-4") - GREEN</b>	
1510100060	Bendy Packer DN75-100 (3-4") / Length 60cm (24")
1510100100	Bendy Packer DN75-100 (3-4") / Length 100cm (39")
1510100120	Bendy Packer DN75-100 (3-4") / Length 120cm (47")
1510100150	Bendy Packer DN75-100 (3-4") / Length 150cm (59")
1510100200	Bendy Packer DN75-100 (3-4") / Length 200cm (79")
<b>DN100-150 (4-6") - BLUE</b>	
1510125100	Bendy Packer DN100-150 (4-6") / Length 100cm (39")
1510125120	Bendy Packer DN100-150 (4-6") / Length 120cm (47")
1510125150	Bendy Packer DN100-150 (4-6") / Length 150cm (59")
1510125200	Bendy Packer DN100-150 (4-6") / Length 200cm (79")
<b>DN150-200 (6-8") - RED</b>	
1510200150	Bendy Packer DN150-200 (6-8") / Length 150cm (59")
1510200200	Bendy Packer DN150-200 (6-8") / Length 200cm (79")
<b>DN225-300 (9-12") - PURPLE</b>	
1510300150	Bendy Packer DN225-300 (9-12") / Length 150cm (59")

## Picote Bendy Packers - Additional Tools

PN	Description
1510000001	Packer Navigation System DN50-70 (2-3") / Guide Ball / diameter 30mm (1.2")
1510000002	Packer Navigation System DN100-150 (4-6") / Guide Ball / diameter 60mm (2.4")
1510000003	Packer Navigation System DN200+ (8"+) / Guide Ball / diameter 80mm
1510000004	Front Wheel Drive Glass Fibre Rod 7.5mm (1.3") / 40m (131') in a galvanized frame
1410000023	Push Rod DN100-150 (4-6") flexible enough to go through multiple bends*
1410000032	Push Rod DN100-225 (4-9") a more rigid rod for longer runs and larger pipes*
1410000025	Installation Tool 2.0 Air Adapter
1410000025US	Installation Tool 2.0 Air Adapter US
2340000002	Air Pressure Regulator EU 0-4 Bar
2340000002US	Air Pressure Regulator US 0-58 PSI

\* Customized Push Rod Adapters available, please contact Picote.

Front Wheel Drive  
Glass Fibre Rod

DN50 & 70 (2 & 3") Packers  
feature an integrated push/  
air rod
